JISC

...the mission

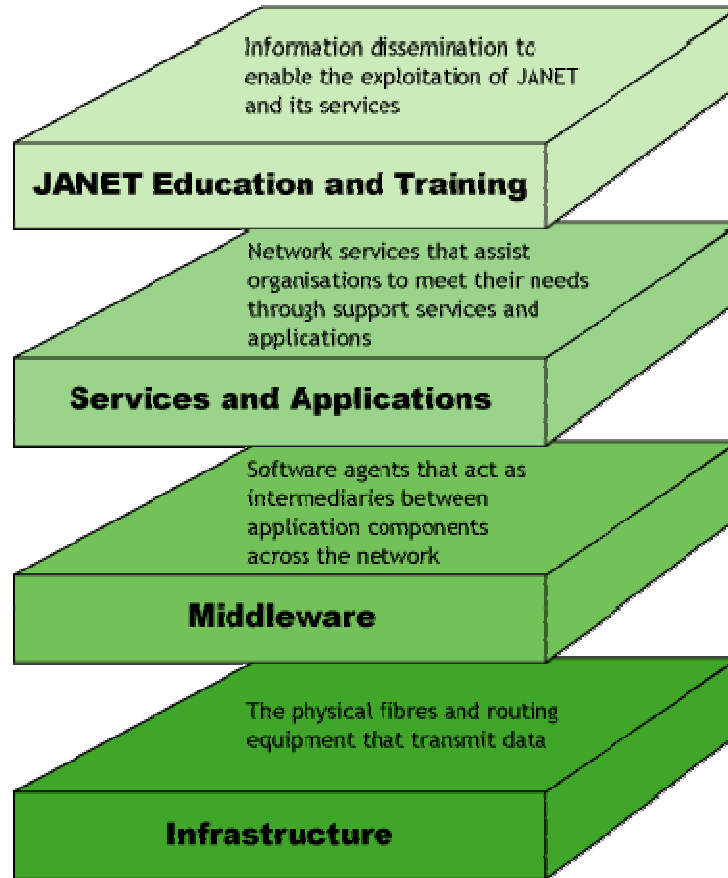

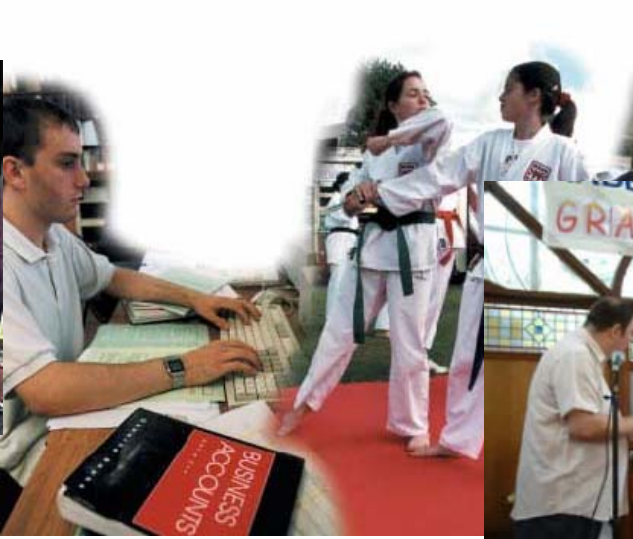

....supporting UK competitiveness and learning by delivering information and communication technology services to enable research and education

.... 5 strategic objectives

... offering

JANET5

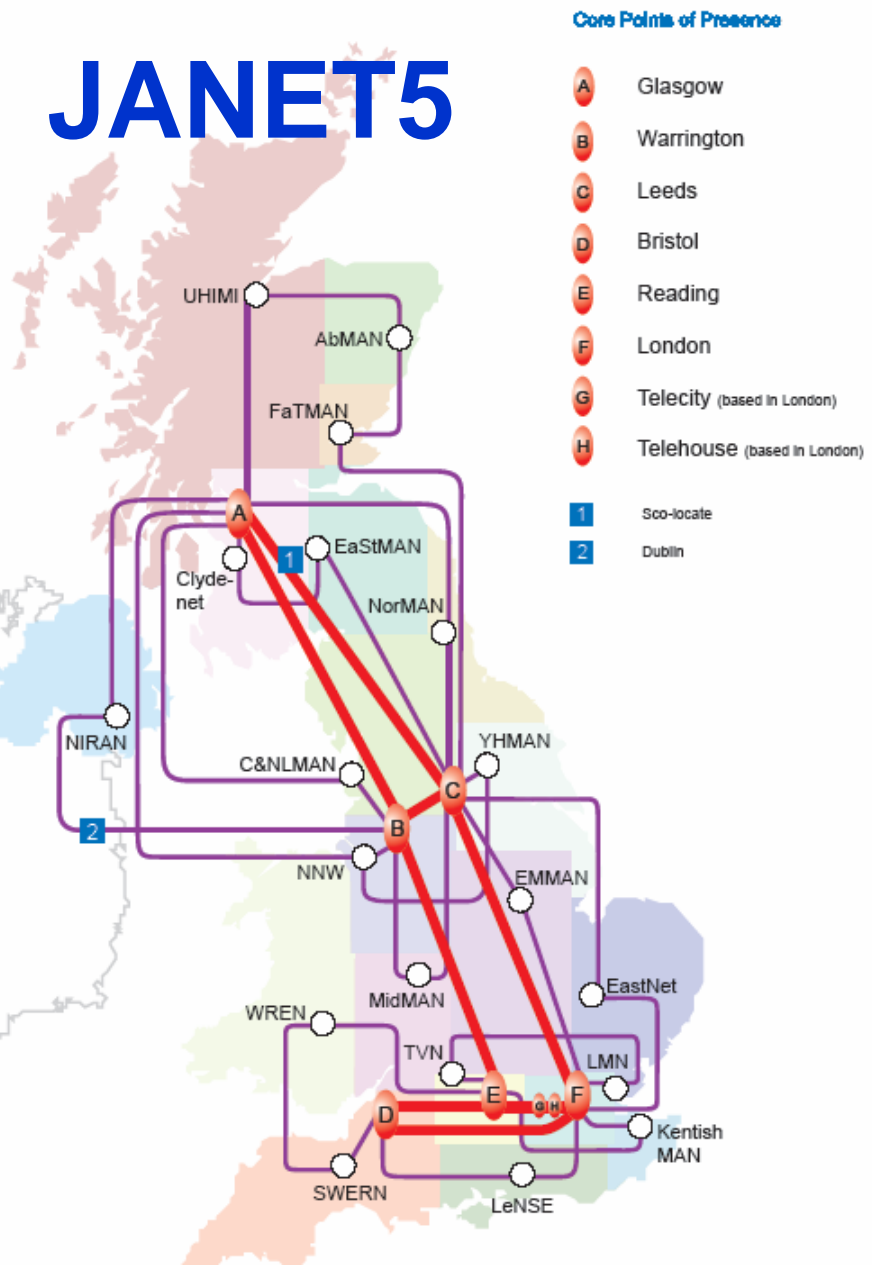

Reliability

Scalability

Separability

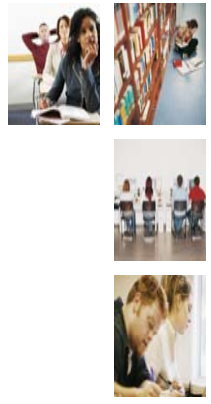

Flexibility

Visibility

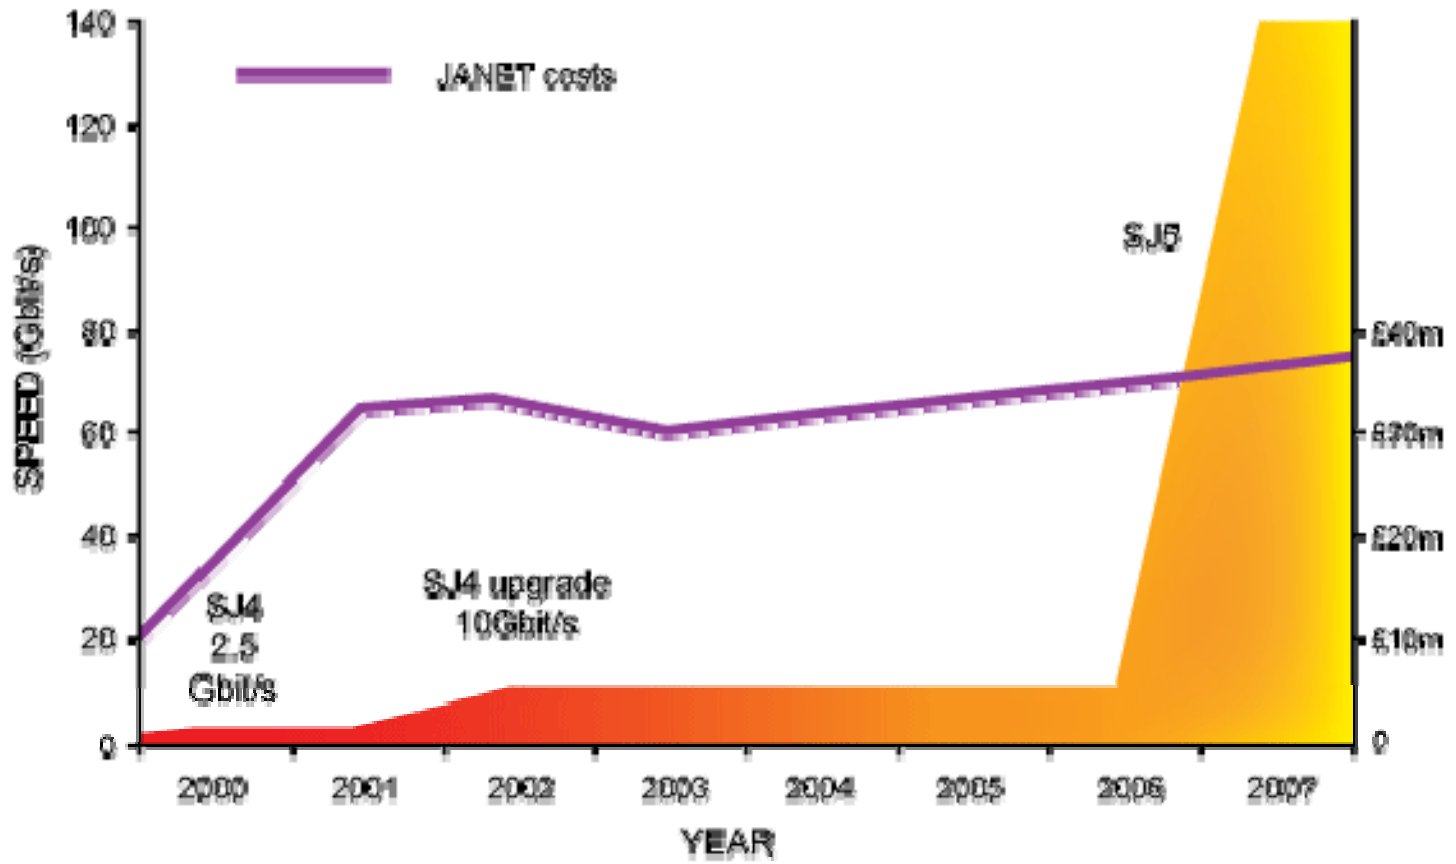

Core Points of Presence

- A** Glasgow
- B** Warrington
- C** Leeds
- D** Bristol
- E** Reading
- F** London
- G** Telecite (based in London)
- H** Telehouse (based in London)
- 1** Soo-locate
- 2** Dublin

.... good value!

... services

Current SLA - Network Services and Applications

Future SLA – e.g. UK Access Management Federation

Non SLA Services

...puzzled about usage policy?

- **private network**
- **bad stuff – *offensive, technical corruption, privacy, disruption***
- **commercial – *regulatory issues***

We must be:

- relevant to business environment**
- flexible and appropriate to need**
- lean and fast enough to deliver**
