Upon becoming aware of any breach of the terms of this Agreement the Institution further agrees promptly to fully investigate and initiate disciplinary procedures in accordance with the Institution's standard practice and use all reasonable effort to ensure that such activity ceases and to prevent any recurrence including where necessary by terminating access to the Licensed Material by such unauthorised user and/or such Authorised User;

Notwithstanding the foregoing, the parties shall neither assemble nor provide data from which an individual user could be identified.

8. LICENCE FEE

- 8.1 The terms of payment to the Publisher for the Licence granted herein are set out in Schedule 1.

9. ACKNOWLEDGEMENT AND PROTECTION OF INTELLECTUAL PROPERTY RIGHTS

- 9.1 The Institution acknowledges that all Intellectual Property Rights in the Licensed Material are the sole and exclusive property of the Publisher or are duly licensed to the Publisher and that this Agreement does not assign or transfer to the Institution any right, title or interest therein except for the right to use the Licensed Material in accordance with the terms and conditions of this Agreement.

- 10.1 The Institution represents and warrants that it has sufficient authority and rights to enter into and perform its obligations under this Agreement.
- 10.2 The Publisher warrants to the Institution that the Licensed Material and all Intellectual Property Rights therein are owned by or licensed to the Publisher and that the Licensed Material used as contemplated in this Agreement does not infringe any Intellectual Property Rights of any natural or legal person. The Publisher agrees that Institution shall have no liability and the Publisher will indemnify, defend and hold Institution harmless against any and all damages, liabilities, claims, causes of action, attorneys' fees and costs incurred by Institution in defending against any third party claim of Intellectual Property Rights infringements or threats of claims thereof with respect of Institution's use of the Licensed Material, provided that: (1) the use of the Licensed Material has been in full compliance with the terms and conditions of this Agreement; (2) Institution provides the Publisher with prompt notice of any such claim or threat of claim; (3) Institution co-operates fully with the Publisher in the defence or settlement of such claim; and (4) the Publisher has sole and complete control over the defence or settlement of such claim.

It is expressly agreed that upon such notification, or if Publisher becomes aware of such a claim from other sources, Publisher may remove such work(s) from the Licensed Material. Failure to report knowledge of any actual or threatened claim by any third party shall be deemed a material breach of this Agreement. At the request of Publisher, the Institution will make all reasonable efforts to remove such work(s) from any copies of the Licensed Material maintained by the Institution.
- 10.7 The Institution represents to the Publisher that its computer system through which the Licensed Material will be used is configured, and procedures are in place, to prohibit access to the Licensed Material by any person other than an Authorised User; that it shall inform Authorised Users about the conditions of use of the Licensed Material; and that during the term of this Agreement, the Institution will continue to make all reasonable efforts to bar non-permitted access and to convey appropriate use information to its Authorised Users.

13.1 Publisher shall use commercially reasonable efforts to provide continuous availability of the Hosting Service, subject to periodic unavailability due to maintenance of the server(s), the installation or testing of software, the loading of data and downtime related to equipment, the failure of communications networks, or services outside of control of Publisher. Scheduled downtime will be performed at a time to minimize inconvenience to customers worldwide.

13.2 Publisher will not be liable in any way for any failure in, interruption to or degradation of the Hosting Service caused directly or indirectly by Institution's equipment or communications networks.

SECTION 3: GENERAL TERMS AND CONDITIONS

14. TERM AND TERMINATION

14.1 The term of this Agreement will commence upon the date of signature and, unless terminated earlier in accordance with the terms of this Clause 14, will remain in full force and effect until 31st December 2009 and shall continue thereafter unless and until terminated for any reason by either party giving the other not less than three months notice to that effect.

14.2 Either party may terminate this Agreement at any time on the material or repeated other breaches by the other of any obligation on its part under this Agreement by serving a written notice on the other identifying the nature of the breach. The termination will become effective thirty days after receipt of the written notice unless during the relevant period of thirty (30) days the defaulting party remedies the breach forthwith by written notice to the other party.

15. GENERAL LIMITATIONS OF LIABILITY

15.1 Nothing in this Agreement shall make the Institution liable for breach of the terms of this Agreement by any Authorised User provided that the Institution did not cause, knowingly assist or condone the continuation of such breach after becoming aware of an actual breach having occurred.

15.2 Save as provided for in Clause 10.2, neither the Institution nor the Publisher will be liable to the other or to any Authorised User in contract or negligence or otherwise for (i) any special, indirect, incidental, punitive or consequential damages (ii) loss of direct or indirect profits, business, contracts, revenue or anticipated savings or for any increased costs or expenses.

15.3 No party limits its liability for (i) death or personal injury to the extent it results from its negligence, or of its employees or agents in the course of their engagement; and (ii) its own fraud or that of its employees or agents in the course of their engagement.

16. FORCE MAJEURE

16.1 Either party's failure to perform any term or condition of this Agreement as a result of circumstances

beyond the control of the relevant party (including without limitation, war, strikes, flood, governmental restrictions, and power, telecommunications or Internet failures or damages to or destruction of any network facilities) ["Force Majeure"] shall not be deemed to be, or to give rise to, a breach of this Agreement.

- 16.2 If either party to this Agreement is prevented or delayed in the performance of any of its obligations under this Agreement by Force Majeure and if such party gives written notice thereof to the other party specifying the matters constituting Force Majeure together with such evidence as it reasonably can give and specifying the period for which it is estimated that such prevention or delay will continue, then the party in question shall be excused the performance or the punctual performance as the case may be as from the date of such notice for so long as such cause of prevention or delay shall continue.

17. ASSIGNMENT

Neither this Agreement nor any of the rights under it may be assigned or sub-licensed by either party without obtaining the prior written consent of the other party. In any permitted assignment, the assignor shall procure and ensure that the assignee shall assume all rights and obligations of the assignor under this Agreement and agrees to be bound to all the terms of this Agreement.

18. GOVERNING LAW AND DISPUTE RESOLUTION

- 18.1 This Agreement shall be governed by and construed in accordance with English law and the parties irrevocably agree that any dispute arising out of or in connection with this Agreement will be subject to and within the jurisdiction of the English courts.
- 18.2 The parties agree to use best efforts to resolve disputes in an informal manner, by decision of the Managing Director of the Publisher and the Vice Chancellor of the Institution. Where the parties agree that a dispute arising out of or in connection with this Agreement would best be resolved by the decision of an expert, they will agree upon the nature of the expert required and together appoint a suitable expert by agreement. In default of agreement upon whom to appoint as a suitable expert, such expert shall upon the request of either party be appointed by the Chair for the time being of the Committee of Vice-Chancellors and Principals.
- 18.3 Any person to whom a reference is made under Clause 18.2 shall act as expert and not as an arbitrator and his decision (which shall be given by him in writing and shall state the reasons for his decision) shall be final and binding on the parties except in the case of manifest error or fraud.
- 18.4 Each party shall provide the expert with such information and documentation as he may reasonably require for the purposes of his decision.
- 18.5 The costs of the expert shall be borne by the parties in such proportions as the expert may determine to be fair and reasonable in all circumstances or, if no determination is made by the expert, by the parties in equal proportions.

19. NOTICES

- 19.1 All notices required to be given under this Agreement shall be given in writing in English and sent by courier or special delivery to the relevant addressee at its address set out below, or to such other address as may be notified by either party to the other from time to time under this Agreement, and all such notices shall be deemed to have been received three days after posting where sent by special delivery or on despatch in the case of despatch by courier
