	October	Curriculum Design Programme Meeting	Venue TBC
2012	May	Curriculum Design Programme Meeting	Venue TBC
	October	Curriculum Design Programme Meeting	Venue TBC

*All projects required to attend

Support Events and Workshops

From November 2009, the Support programme will be running regular Elluminate sessions every afternoon of the first Wednesday of every month. The purpose of these sessions is to showcase the work of the projects, highlight good practice from across the sector and provide expert-led sessions on pertinent topics. These will run alongside other face-to-face workshops and ad hoc Elluminate sessions. Details of all forthcoming support sessions will be posted on CIRCLE.

Programme Support Events

<i>Year</i>	<i>Date</i>	<i>Session</i>	<i>Type</i>	<i>Time</i>
2009	Oct 28	e-Portfolio-based Learning: Julie Hughes	Elluminate session	14.00- - 15.00
