

ELP 2

Enhancing Learner Progression through Personalised Learning Environments

Neil Currant

n.currant@brad.ac.uk

Who is involved

- Universities of Bradford, Leeds & Leeds Metropolitan
- Likely working partners: WY Aimhigher, local schools and FE colleges, WY Lifelong Learning Network, Volunteer groups
- Peter Hartley (Director), Carol Higgison (Manager), Neil Carrant & Christopher Murray (Officers), Jill Taylor (Lead, LeedsMet), Andy Pellow (Lead, Leeds)

What Issue

- Personalised learning
- Individual Learning Plans
- Widening Participation into HE
- Providing support for learners
 - Trainee health professionals as mentors

What are we doing?

- Work with young people and those they have contact with to raise aspirations.
- Provide support / mentoring for young people.
- Set up opportunities for networking to facilitate peer support.

Technologies

- E-portfolios (e.g. PebblePAD)
- VLE's
- Social networking tools (e.g. Multiply)
- Personalised learning environments (e.g. Elgg)
- Social book marking tools

Success

- Successful use of technologies to create worthwhile links between client groups.
- Engagement with the purposes for which technology is utilised.
- Increased HE participation in client group.
- Largely dependant on the groups we recruit.
