A Knowledge Management Roadmap

Embedding KM in Research/Scholarship

- **Who are we?**
 - *Please leave name and email*
- **Where are we going?**
 - **What do we have?**
 - **What do we need?**
 - **How do we get there?**
- **How much can we do together?**
What should we do separately?
 - **Synergies & differences**
 - **Different vocabularies for the same thing;**
The same vocabularies for different things
 - **Tools & standards**
 - **What don't we know that we don't know**

Agenda

- 14:00 - Introduction and Introduction - Alan Rector & Nigel Shadbolt & TFPL1**
- 4:10 The Health Service Perspective - Ben Toth**
- 14:20 A biologists Perspective - David Shotton**
- 14:30 The CombeChem experience - Jeremy Frey**
