

RSP Briefing for Start-up and Enhancement Projects

JISC Programme Meeting, London

5th July 2007

Jackie Knowles

Repository Support Officer, University of Wales

Aberystwyth

REPOSITORIES
SUPPORT PROJECT

Contents

- ☐ Summary of round table discussions from yesterday
- ☐ What the RSP plans to be:
 - Reactive
 - Proactive
 - Information provider
- ☐ Top 3 concerns
- ☐ RSP Advocacy Strategy
- ☐ Group work
- ☐ Feedback and discussion

Summary from round tables

- ☐- Formalise existing community exchange of information
- ☐- Issues to be addressed such as overlap with other JISC projects
- ☐- Timeliness of the delivery of outcomes and our support framework is crucial
- ☐- Need for RSP to
 - follow up on contacts and support
 - facilitate exchange of information
 - assist with information overload

The RSP will be ...Reactive

☐ Answering queries

- Phone
- Email

☐ Providing appropriate answers

- Advice
- Technical information
- Site visits
- Others ...

The RSP will be ...Proactive

☐ Outreach

- Site visits
- Roadshows
- Seminars (ones we run and attendance at those organised by others)

☐ Conference presentations

☐ Summer school

The RSP will provide ...Information

☐ Web site

- Resource bank
- Briefing papers
- Longer “Guides to...”
- Role based interface
- Checklists

☐ WIKI

☐ Blog

☐ “private” wikis and blogs being explored in first instance for the 2007 summer school cohort

Top three concerns

What are your top three concerns?

RSP Advocacy Strategy – in person

- ☐ Repository roadshows at individual institutions
- ☐ Centralised or regional events
- ☐ Liaison with other JISC activities and projects
- ☐ Summer School
- ☐ Site visits
 - institutions
 - to a central point
 - by region
 - by theme
 - technical visits
- ☐ Conferences

RSP Advocacy Strategy - virtual

- ☐ Provision of information through website
 - Role based interface
 - Repository lifecycle interface to resource bank
 - Templates
 - Policy, documentation bank
- ☐ Provision of wiki for each institution
- ☐ Briefing papers
- ☐ More in depth “Guide To . . .”

Things to think about at the start

☐ Overall aim

- Criteria for success - and failure

☐ Stakeholders

- identify different perspectives and needs

☐ Policies

- for IR, within IR, institutional, funding agencies', etc

☐ IPR

- institutional, content-status

☐ Advocacy

- addressing different stakeholders
