
Rejuvenation of Science, Engineering and Technology Related TLTP
and other legacy materials

X4L Phase 2 Project

**ReSET - Rejuvenation of
Science, Engineering and
Technology related TLTP
and other legacy material**

**<http://esdstudent.gcal.ac.uk/reset/>
bjbe@gcal.ac.uk**

**Rejuvenation of Science, Engineering and Technology Related TLTP
and other legacy materials**

X4L Phase 2 Project

Rejuvenation of Science, Engineering and Technology Related TLTP
and other legacy materials

X4L Phase 2 Project

**We have piloted the
complete ReSET process
successfully**

**Rejuvenation of Science, Engineering and Technology Related TLTP
and other legacy materials**

X4L Phase 2 Project

**The majority of
legacy material
has been created
in Authorware,
but other
content is also
available**

**Rejuvenation of Science, Engineering and Technology Related TLTP
and other legacy materials**

X4L Phase 2 Project

**This module
has been re-
engineered
from CALgroup**
